

EXHIBIT 9

**REDACTED VERSION OF
DOCUMENT PROPOSED
TO BE FILED UNDER SEAL**

Richard; 28/1/2016.
I did C the last
episode of the show I moved
flat yesterday with 10 people at
3.10 over Xmas + New Year.
It was quite good.

The last show I can't judge since
I was physically poorly but
did enjoy it.

I don't like the Hawley
Armstrong Halliwell's names.
Not a point of fact about any of
them.

I ended up looking at the
window some weeks ago since
I had agreed to meet someone
outside.

I was 1/2 an hour late +
stayed in as I thought he had
maybe gone inside.

I was delayed at the
Lambroger and the man in
uniform I do not require for
Jock and I do the same like
seeing Jock outside.

After my text went off,
it was my job and all sorts

of friends went of as they collected of
Cameron. Can save guy in a car
locked a lot money! Zoltar!

My dog got caught in the
doors & I had to get a taxi home
and cancel other meetings.

I don't like that steady place,
needed my lunch all day & it
was only 3 p.m. and was not
strong at yard even, all day &
the weekend at the San Pedro
at me and I started back.
Wouldn't people go in there!

Anyway, this year has been
ultra busy as usual.

You are still too strong etc.

If you want I might have you
up for a real if you call
me.

I don't read emails - I read
else does that you're + I don't
do emails. I am allergic to
emails.

I cannot be forced to keep
up the electrical work for
you all hell.

I would suppose I do regret whether
pass this to you.

I am getting back to my
usual gorgeous self and am
walking ten miles a day.

That Frank [redacted] mess
lives much to cancer than my
new place. Had I known
that, I would never have
bought it! So cancer is bad!

Ignore the bad stuff
but use the good stuff in the
old slow.

Too much baby mouth. Nice
too. Needs to grow up
would be my assessment.
You are looking quite nice
not that amuse of me.

If you call me, I will
be the great one. I am on
a good trip. Not out
of the house yet.

My kids like you. I am
like a stick so they want
to come. Let's let them all
separate.

You may be a little little
bit. I have referred you to.

You are very young & young
no one else under 50 is.

Any one under 50 is a young
leader to us all.

Not to be a young leader
complete + with a young
you may have some potential.

Do not under any one else
to ensure you are great at
Hawley Bar. I am sorry will not
do it.

I have many many people to
+ pressures in my life.

No time for half with the
pop it + most in my family
live the 70!

Call me please
or above to me.

Richard
X

By the way, I think Sean served
the best factor now please
just now, he + all my nation
love him,

You don't want hard politics or
can't do it a waste of time and
looking at that but the SVP
in power for ever + the Tories
here for ever. I don't think
will win the US. Everyone
knows he's there.

Comedian + I never for more
any soldier. Good.

Leading a good life + I'm
will go. That's a good thing
can't see going real nice.

It's gonna be a good year (I think)
I feel it in my bones.

L

F@ UP WITH
THE FAMILY NO ABOUT!
MY PANTS R CLEAN BUT
C@LLED IN PAPERS
JUST ALL MEXICAN
UP 4 MEAL.
TIME IS PRECIOUS!

HAVE 4 PHONES - THEY
GO ALL DAY LONG!

[redacted] me [redacted] and
me well boy. That Janna.
He was 23/30 was a nice
me girl and every one
picked her.

I don't like the gang / getting
related / write and feel
generally but it generated
nothing. Under.

You should ever know me
I should get your friend the
gang picking her! ??

Don't get caught you'll be
strong and feel and feel
ways is my advice.

Sally most actors etc go &
they all a part of the ass for
their lawyers, families etc.

A total pain -

I need to go but don't end up
like that.
